

A Conversation with Families is an opportunity for families to share their experiences, wisdom, and vision about Early Steps - Florida's early intervention system serving infants, toddlers (from birth to 36 months), and their families.

Please join us for an informal networking opportunity amongst families to share:

- What has been the most helpful about Early Steps?
- What are your concerns about Early Steps?
- What recommendations do you have for improving services and supports in Early Steps?

Conversation with Families

August 25, 2008

6:00 - 8:00 pm.

Edison College Child Care
Center
