

A Conversation with Providers is an opportunity for providers to share their experiences, wisdom, and vision about Early Steps. This is an open forum with members of the Personnel Development and Training Committee of the Florida Interagency Coordinating Council for Infants and Toddlers (FICCIT).

Please join us for an informal networking opportunity amongst providers to share:

- What is going well with Early Steps?
- What are your concerns about Early Steps?
- What recommendations do you have for improving services and supports in Early Steps?
